**Pune:** Emcure Pharmaceuticals has reported a consolidated net profit of Rs 153 crore, up 8% year-on-year in Q1FY25. Its revenue from operations rose 17% to Rs 1,815 crore. The company's domestic business, which accounts for 50% of overall revenues, grew by 14% to Rs 909 crore, led by steady base business performance and aided by a distribution partnership for Sanofi's Cardiovascular brands, a statement said. The Sanofi brand portfolio and team are now fully integrated into the company's team, and the performance is in line with its expectations. TNN
