

EMCURE TEAMS UP WITH MS DHONI TO BAT FOR STROKE AWARENESS

Pune: Emcure Pharmaceuticals Ltd. announces the launch of a public awareness campaign on stroke prevention with cricket legend, MS Dhoni. Under this initiative, Emcure and Dhoni, through a video, urge everyone to be aware about symptoms of stroke and educate at least one person for identification of stroke and spread its awareness.

According to epidemiology studies conducted in India, over 1.8 million people suffer a stroke each year, making it a leading cause of death and disability.
